CHANGE FROM CORD TO Cordomatic

CORDOMATIC'S FOOL-PROOF GRAVITY ACTION LOCKING MECHANISM

All reel products shown below contain Cordomatic's unique Gravity Action Locking Mechanism.* This time and money saving feature enables the reel to lock and release with finger-tip control at any desired length. The mechanism cannot break or jam,.... is dust-proof, lifetime lubricated, and has nothing to clean or oil.
*Balance reel has special tension knob for different tool weights.

DELUXE HANDLE ASSEMBLY

Make your own drop cord with this impact resistant, phenolic handle. Unit has Levolier toggle-action switch, convenience outlet, and strain relief. Comes complete with chrome plated reflector and guard. Grounding type (HA-G model) also available. Standard Handle Assembly (Model 200-HA) has push-thru switch, painted reflector guard. All models are UL approved.

Model	Rating	Weight	List Price	Dealer Price Each	6 or more
100-HA	15 Amp-125 Volt	10 ozs.	5.45	3.95	3.55
100-HA-G	15 Amp-125 Volt	10 ozs.	5.45	3.95	3.55
200-HA	15 Amp-125 Volt	10 ozs.	3.95	2.95	

HEAVY DUTY DROP CORDS

Unmatched for quality and long life, designed to take the roughest handling. Has many exclusive features including impact resistant phenolic pistol grip handle with built in electric outlet. Individually packaged. Completely UL approved.
